5 Things about me

Introvert

I will rarely talking or communicate with others if there is no need for me to do so. I also scared to talk with other such as to buy something. no conversation if I'm alone but if there is another person with me i will be oky to talk. I like to talk with other through message instead of face to face talk .

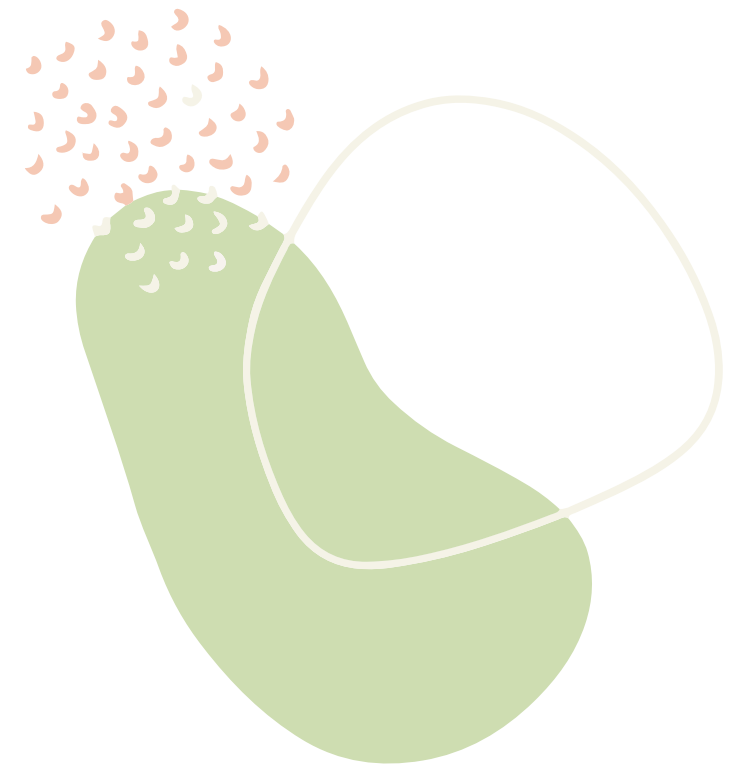

Family

Since I'm the only daughter in my family, i will focus more on my parents which i will think about them first to do anything and will be family person like helping them.
